

EXPERIENCE

User Experience Designer | Nuance Communications | Sunnyvale, USA | OCT. 2013 ~ Present

- Designed interfaces for products spanning enterprise, mobile, automotive, natural language interaction in VR gaming, and wearable domains.
- Served as the UX lead in cross-functional teams, collaborating with engineers, managers, researchers, and dialog designers.
- Led UX design for the recently-launched voice biometrics used by HSBC (See portfolio).
- Crafted visual designs, user experience flows, and graphical user interfaces.
